RE: New Principal

Dear Families,

I am honored to be joining your school community as the new Principal of Holy Family Regional Catholic School.

Holy Family Regional Catholic School has a very well-deserved reputation summed up best by our motto: "Academic Excellence Rooted in Faith". It is a reputation which I am dedicated to preserving and professionally energized to amplify and expand. I look forward to seamlessly blending my faith commitment and passion for school success into the "secret sauce" that makes Holy Family Regional Catholic School such a holy and wonderful school.

I am a lucky man who has been blessed in both my personal and professional life. My wife and I have been married for 38 years, we have 2 adult daughters, 2 son-in-laws and 2 grandchildren. I have been teaching and leading schools for many years. As they say, "When you do what you love, you never work a day in your life"! I know my "luck" is God's gift-and I am blessed.

Over the next several weeks, I am hoping to meet and learn more about the families who make up our school. I want to learn more about each of you and your children. I want to learn from you what is key to our success and hear also about your ideas for an even brighter future.

As the summer unfolds, please continue to check our website for updates. I can be reached at chughes@holyfamilyaston.org and will be happy to set up personal meetings etc.

I hope your summer months are filled with blessings and all good things!

Sincerely,

Charles Hughes
Principal
